

**Words from the Music teacher Mr. Rewant Bhandari**

Music has been the key pleasure. Children have already had two events by themselves where they didn't want fact life of DMS. Children are always willing and wishing to Music and its periphery gives me an immense a bit of our they pretty much surprised us by doing it by themselves did it quite well. Music has been my basic life in DMS a from that I have been representing Friends for Nepal in projects such as Dolphin Magic School construction construction of Ratna Sikshya Sadan English School in B Health Station construction and the Earthquake relief have been working also as coordinator between Friends and the construction contractors and frequently reporting work that is under the supervision of Friends for Nepal.

Life is beautiful and yet harder here in Nepal at present our feelings come alive when somebody gets sick and they (option remains are either you have to be millionaire to hospital bed. This is only a minor example; millions of pec

Life will go on, that's why we teach children about love and
